## STAFF SPOTLIGHT!

### CLHISTYNNINE (NINE) WILKERSON: RSM PIANO TEACHER

Mrs. Clhistynnine "Nine" is a professional pianist who graduated from the Federal University of Rio de Janeiro in Brazil, with a focus in Piano Performance.

Nine has over 20 years of experience, with teaching in several music schools, providing music instruction to students of various ages and skill levels. She approaches each student with attention and dedication, personalized lessons focused on the student's individual needs.

#### FUN FACT:

"I got my first piano at 12 years old. I started practicing with the door open and the volume all the way up because my parents said they would only buy me one if I played loud enough for them to hear. Before that, I only had a small electronic keyboard and would keep the volume low because I was too shy to let anyone hear me."

FAVE SINGERS: Cece Winans and Whitney Houston

FAVE SNACKS: Popcorn / French Fries

FAVE HOBBIES: Attending concerts and traveling

## STUDENT SPOTLIGHT: ZAILA GARCIA

#### Zaila's testimonial:

Zaila has been thriving at Rockwall School of Music, where she is learning guitar and developing a strong foundation in music at a young age. Each lesson has not only helped her build skill and technique, but has also sparked a genuine love for playing. Her confidence has noticeably grown as she begins to master chords, play songs, and express herself through music. The supportive environment and encouraging instructors have made a lasting impact, empowering her to believe in her abilities and enjoy the journey of learning. It's a joy to see her shine and grow both musically and personally.

On behalf of my family we want to thank you!
